MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activities Report
24 - 27 February 1970

GENERAL

25X1A9a

1. [REDACTED] and I were panelists on CS field activities in the Introduction to Intelligence Course on 26 February.

2. The first week of the Professional Development Program appears to have been well received by the participating case officers, although their critiques on this portion have not been reviewed in detail. The emergency withdrawal of an FE representative the second day of the course reduced the size of the class to 16. As of this moment, only one scheduled presentation has had to be cancelled entirely; both primary and back-up speakers from the White House staff became involved in the Pompidou visit and could not participate in the course.
